### ADDENDUM NO. 1

**Date:** July 18, 2017  
**Project:** Turtle Lake School District Window & Entry Replace  
**Project #:** 1730

This addendum to the contract documents is issued to modify, explain, or correct the original Drawings and Specifications and is therefore made a part of the Contract Documents now in your possession. Please indicate receipt of Addenda on Proposal. All trades shall review and are responsible for items relating to their work.

**Additional site visit held at:  
Turtle Lake High School, 205 Oak Street North, Turtle Lake, WI 54889  
Friday, July 21, 2017 at 10:00 AM**

### CLARIFICATIONS

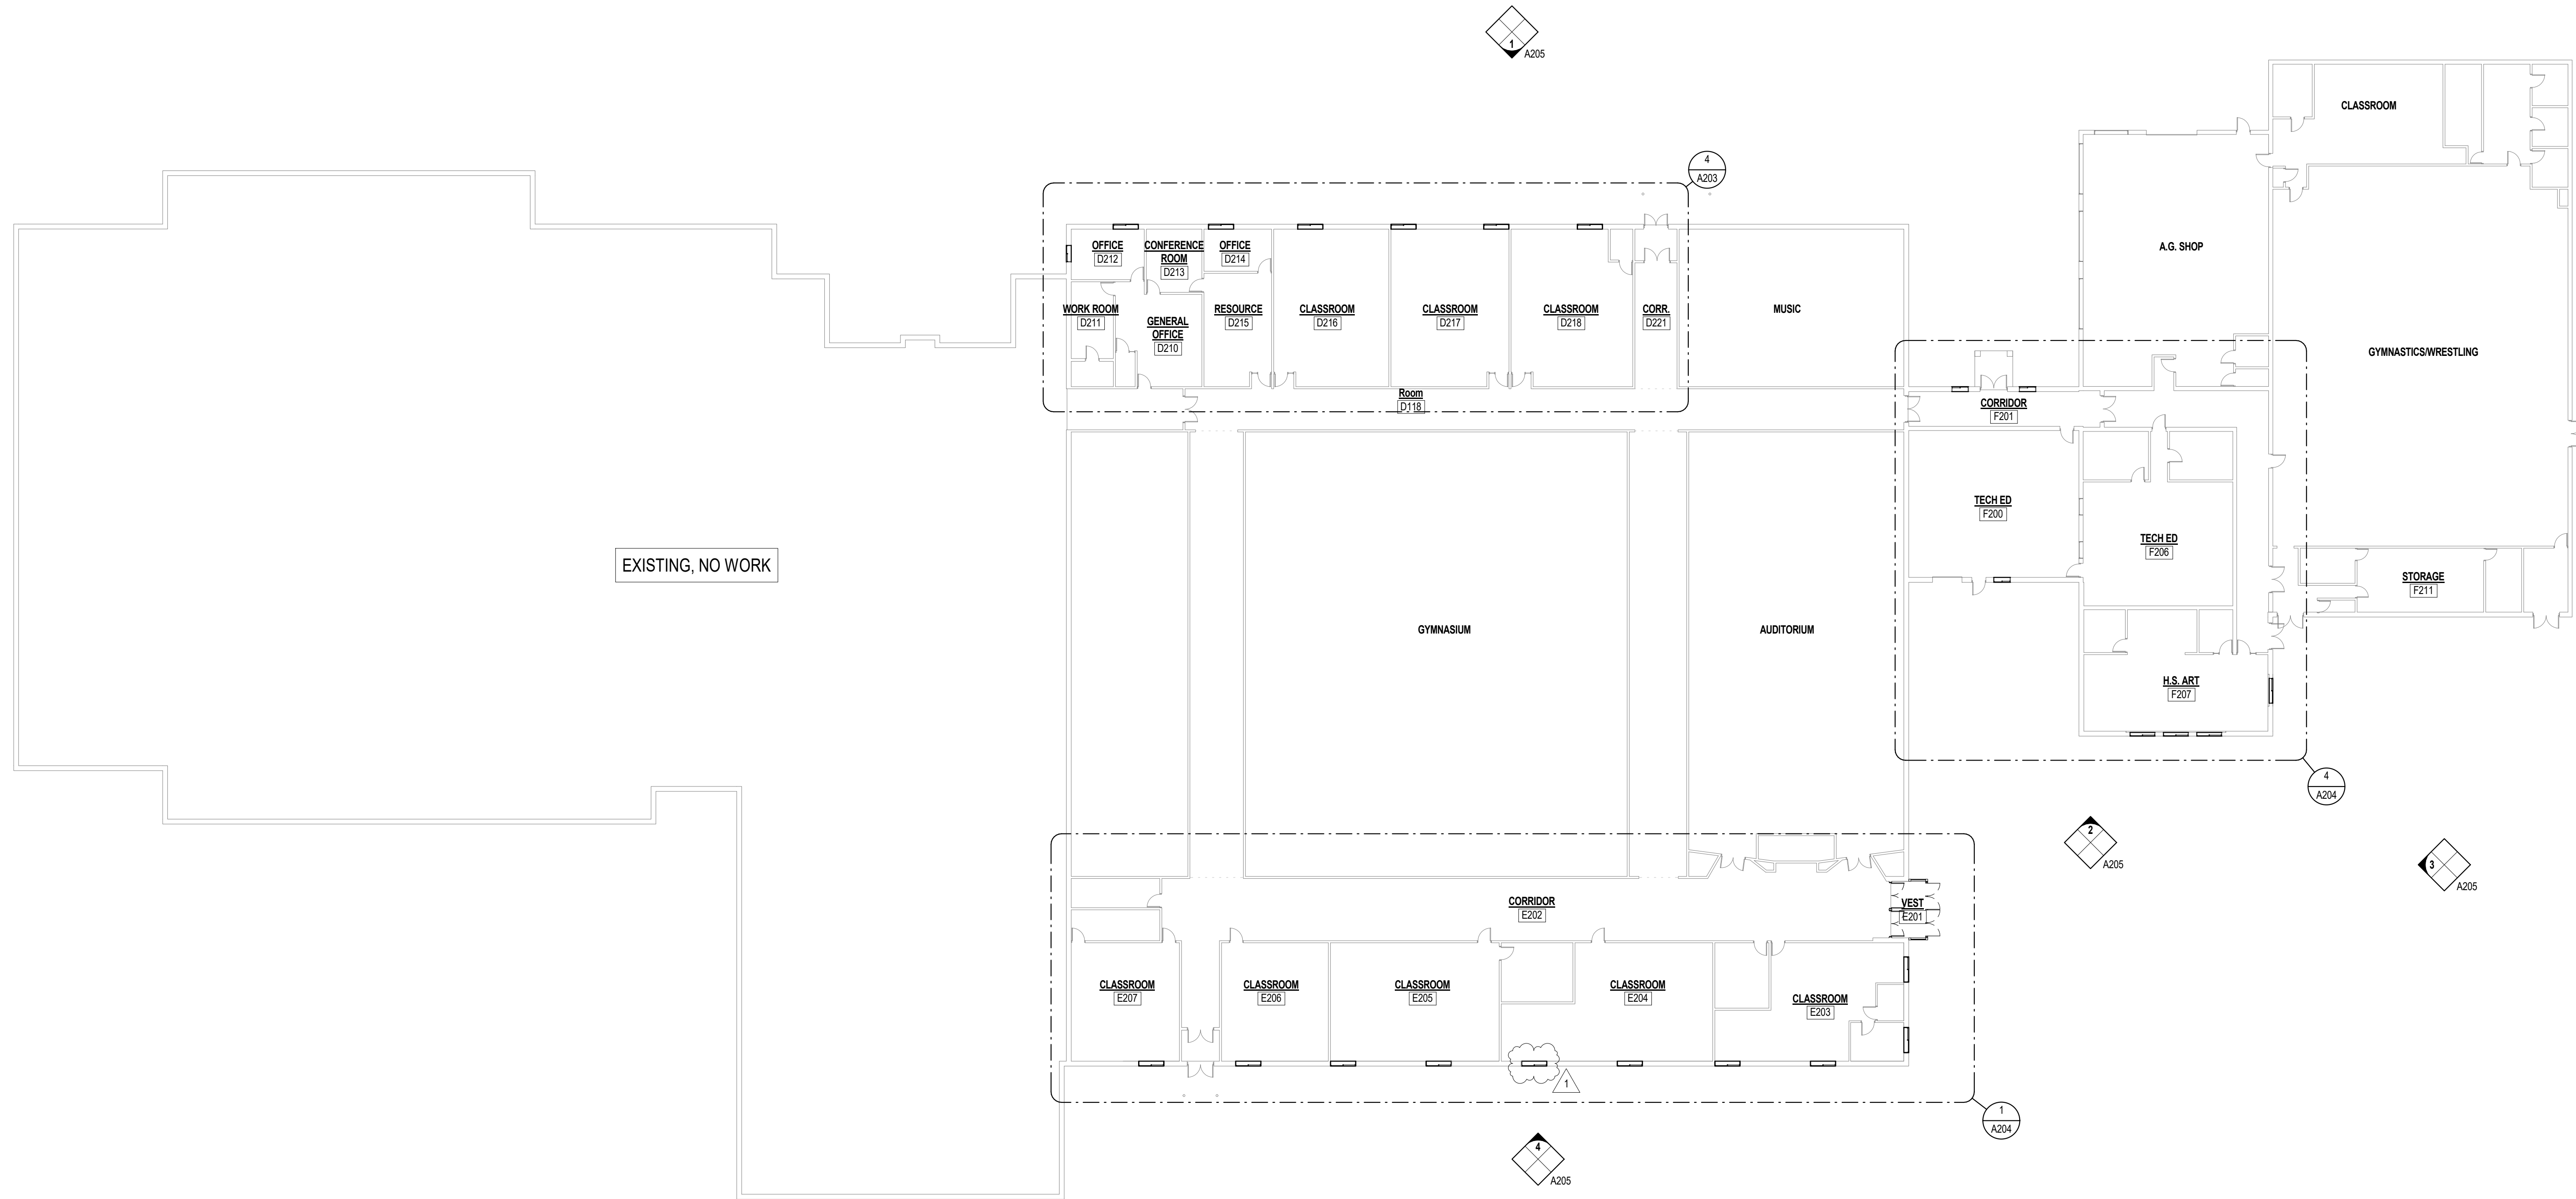

- Per specification Section 08 41 13 – Aluminum-Framed Entrance & Storefronts
  - New Storefronts need to have match, as close as possible, to the exiting Storefront/Entrance color and style. The new Storefronts shall be aluminum not hollow metal.
- Owner has engaged Asbestos Testing, report will be available prior to the bid date.
- Construction and installation of windows can be coordinated and scheduled during school hours with owner. Classes released at 3:20 PM M-F with access to school available up through 11:00 PM M-F.
- Security Hardware can be salvaged and reused in new entry.
- There will be electrical work included in this project with revised lighting.

### DRAWINGS

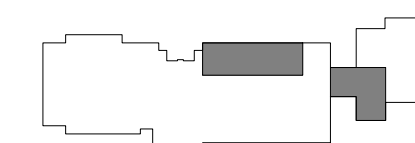

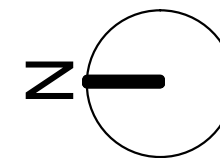

|                   |                                                                                                                                                      |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Sheet A202</b> | Additional window to be removed on West Wall of Room E204.                                                                                           |
| <b>Sheet A204</b> | Additional window to be removed on West Wall of Room E204 and Interior vestibule wall moved to correct location, see 1/A204.                         |
| <b>Sheet A205</b> | Additional window to be removed on West Wall of Room E204, see elevation 4/A205.                                                                     |
| <b>Sheet A302</b> | Additional window to be installed on West Wall of Room E204.                                                                                         |
| <b>Sheet A304</b> | Additional window to be installed on West Wall of Room E204, see 1/A304.<br>New vestibule wall adjusted to correct location, see 2/A304.             |
| <b>Sheet A401</b> | Additional window to be installed on West Wall of Room E204, see elevation 4/A401.                                                                   |
| <b>Sheet A501</b> | Details 4, 5, and 6 shall be modified at location where built-in bookcases are installed.                                                            |
| <b>Sheet A503</b> | Ceiling adjusted due to interior vestibule wall correction, see 1/A503.<br>Change “Radiant Heater” note to say “Hydronic Radiant Panel”, see 1/A503. |
